About Lois Stark

How do humans make sense of the world?

In answer to this timeless question, Emmy award winning documentary filmmaker, Lois Farfel Stark, takes the reader on a remarkable journey from tribal ceremonies in Liberia and the pyramids in Egypt to the gravity defying architecture of modern China. Drawing on her experience as a global explorer, Stark unveils a crucial, hidden key to understanding the universe: Shape itself.

We can read the past and glimpse the future by watching when shapes shift.
